**Information about your managing officials**

TRDP upholds high moral standards regarding the conduct of its employees, partners, suppliers, and other service providers. As discussed in part 2.3 below, one of these standards is a condemnation of terrorism and a commitment that no funds or other resources will be used to support terrorists or terrorist activities in any way. Not only is this standard an integral part of how TRDP works, but it is also an expectation of our institutional donors and banks that we screen our suppliers and service providers against lists of known and suspected terrorists on a regular basis.

For this reason, we are required to collect certain information about the relevant decision makers of each supplier. In particular, we request information about your top 4 managing officials (e.g., executive board members, managing directors, or heads of department). Generally, these are the individuals listed on your company's registration document. If your company has fewer than 4 managing officials, please provide details for all of your managing officials and let us know this fact when submitting the form.

The data collected below will only be used for comparison with freely accessible international sanctions lists published on the internet and will be protected in accordance with applicable data protection laws. If you have any questions how your data will be processed or stored, please talk to your contact at TRDP or send an email.

**1. Policy statement**

**Supports the goals of the UN Global Compact**

The UN Global Compact is a strategic policy initiative for organizations that are committed to aligning their operations and strategies with the following 10 universally accepted principles in the areas of human rights, labour, environment, and anticorruption:

#### Human rights

Principle 1: Businesses should support and respect the protection of internationally proclaimed human rights; and

Principle 2: make sure that they are not complicit in human rights abuses.

#### Labour

Principle 3: Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining;

Principle 4: the elimination of all forms of forced and compulsory labour;

Principle 5: the effective abolition of child labour; and

Principle 6: the elimination of discrimination in respect of employment and occupation.

#### Environment

Principle 7: Businesses should support a precautionary approach to environmental challenges;

Principle 8: undertake initiatives to promote greater environmental responsibility; and

Principle 9: encourage the development and diffusion of environmentally friendly technologies.

#### Anti-corruption

Principle 10: Businesses should work against corruption in all its forms, including extortion and bribery.

Further information about the UN Global Compact is available (in a variety of languages) at <https://www.unglobalcompact.org>

#### **TRDP adheres strictly to its own Code of Conduct**

TRDP's own Code of Conduct builds upon the principles of the UN Global Compact and is an integral lodestone in all of TRDP's work. All TRDP suppliers are expected to act in accordance with the values of our Code of Conduct, which are as follows:

- The highest standards of personal and professional conduct
- No religious or political activities when representing TRDP
- No discrimination
- Responsibility for health and safety
- No sexual violence
- Child protection
- Responsible handling of personal data and information
- Responsible use of resources
- No supporting of terrorism or money laundering
- No corruption
- Avoiding conflicts of interest
- No work under the influence of alcohol or drugs
- No carrying of weapons
- Obligation to report concerns, suspicions, and knowledge of Code of Conduct violations

***By signing this Supplier Declaration Form, you explicitly agree to comply with these principles.***

### **TRDP renounces all forms of terrorism and money laundering**

TRDP renounces all forms of terrorism and will never knowingly support, tolerate, or encourage terrorism or the activities of those who embrace terrorism or money laundering. Consistent with guidance issued by the United Nations Security Council and the European Union, TRDP is firmly committed to the international fight against terrorism and, in particular, against the financing of terrorism. Accordingly, TRDP screens its suppliers and their relevant decisionmakers against lists of known and suspected terrorists to ensure that none of its or its donor funds are used, directly or indirectly, to provide support to individuals or entities associated with terrorism or money laundering. By submitting an offer, suppliers and service providers agree to this screening process, including the obligation to provide the information required to conduct the screening (see parts 1.1 and 1.2 above).

**2. Supplier/Service providers' declaration**

We, \_\_\_\_\_ (name of company) hereby declare that

- a) all of the information submitted in parts 1.1 and 1.2 above is true and complete;
- b) we are not in bankruptcy proceedings, in judicial insolvency proceedings, or in liquidation, and we have not ceased our commercial activities and are not in a comparable situation by virtue of similar proceedings referred to in the national legal provisions;
- c) we have not received a sanction by legally binding judgment for reasons that bring into doubt our professional reliability;
- d) we comply with our duty to pay social insurance contributions, taxes, and other levies in accordance with the legal provisions of the jurisdiction in which we have our office, the jurisdiction of the consignee, and the jurisdiction where the contract is performed; we assure that we will comply with the legislation applicable and common standards in terms of wages, social legislation, and occupational safety and health;
- e) we have not received a legally binding sentence due to fraud, corruption, participation in a criminal association, or another act directed against the financial interests of another legal or natural person;
- f) no serious breaches of contract due to non-performance of our contractual obligations have been ascertained in connection with another contract or a contract awarded from any institutional donor involved in development cooperation, humanitarian assistance, or other public financing work (hereinafter "institutional donor");
- g) we are providing you with all the information required to participate in a tender, and all information submitted in relation to this tender is true and complete;
- h) in respect of contracts that are ultimately paid for out of the funds of an institutional donor, no one has accused us of breach of contract due to gross violation of our contractual obligations;
- i) we have not been excluded as a contract partner by any institutional donor due to ethical issues;
- j) in the event we are chosen as the supplier for any TRDP project, we assure to TRDP, to any institutional donor involved in the project, and to auditors engaged by either TRDP or such institutional donor that they will have reasonable access on demand to our business and accounting documents for the purpose of checks and audits;
- k) we respect basic social rights and condemn child labor;
- l) we understand that TRDP will conduct a check to ensure that neither our company nor our top four managing officials appear on any lists of known or suspected terrorists issued by our institutional donors or the governments of which they are a part;
- m) we support the goals of the UN Global Compact; and
- n) we act in accordance with the values of TRDP's Code of Conduct.
